# Teacher of Mathematics (or Graduate Trainee)

UPPINGHAM

# From the Headmaster, Dr Richard Maloney

Uppingham School has the highest ambitions for the education of our pupils. We seek to inspire and challenge them to work at the highest academic levels. We are fortunate to have wonderful facilities and fantastic, highly committed teachers who nurture and support Uppinghamians at every stage of their time here.

I hope that you will be excited by the opportunity to join us in the Mathematics department. We are looking for someone with the gifts and skills as a teacher to make a difference to our pupils.

I look forward to meeting you.

**Dr Richard Maloney**  
*Headmaster*

## Mathematics at Uppingham

We have 12 specialist Mathematics teachers who work in a purpose-built department where all classrooms are spacious and have the latest interactive whiteboards to support teaching. Each full time teacher has their own classroom. In the Lower School (Years 9-11) pupils work towards the Edexcel IGCSE Mathematics qualification. In the Sixth Form there are currently more than 100 pupils studying A-level Mathematics, and 40 who are also studying Further Mathematics.

The Mathematics department offers a range of extra-curricular and enrichment activities. Some of these include peer mentoring, Maths Olympiad training and preparation for the STEP and MAT exams. The department has a strong culture of supporting pupils into Oxbridge courses and a good track record of successful applicants. The department also hosts a range of guest speakers, recently including university lecturers and members of the Royal Academy of Engineering. The department is well-funded and well-resourced but new initiatives and experience are welcome.

## Teacher of Mathematics / Graduate Trainee

We seek to appoint a first-rate teacher of Mathematics, or a graduate trainee in Mathematics, from September 2023.

This role could equally suit an experienced teacher, an Early Career Teacher (ECT) seeking their first teaching position as a qualified teacher, or a Mathematics graduate seeking to train and gain a teaching qualification whilst working.

A graduate trainee appointed to this position benefit from a reduced teaching timetable and support to gain a PGCE.

Teachers at Uppingham play a full part in the life of this seven-day week boarding school, by taking on responsibilities in addition to classroom teaching. The co-curricular programme is exceptionally varied and includes a wide range of sports, CCF, community service and the Duke of Edinburgh Award. Each teacher is also attached as a tutor to one of the School's fifteen boarding houses.

Accommodation may be available.

## About the person

The person appointed will be a strong, dynamic character with excellent subject knowledge, a good degree, good classroom management skills and an appropriate rapport with pupils.

The abilities to communicate well and work as part of a team are essential. The successful candidate will have high personal and professional standards, with well developed pastoral instincts.

## Teaching at Uppingham

### Remuneration and Benefits

The School has its own salary scale for qualified teachers, which is reviewed annually. The scale starts at £33,000 and progression is possible to £60,000. Part time teachers are paid on a pro rata basis of the pay rate they would receive if employed full time in the same post. The School offers an extensive range of benefits including a school fee discount scheme for children of staff, free gym membership, subsidised medical scheme, excellent pension scheme, and Sodexo benefits including discounts in thousands of retail outlets, restaurants, cinemas and holiday providers.

All members of staff are expected to live within reasonable distance of the School so that they can contribute to boarding school life easily and effectively. Assistance with reasonable removal expenses is provided. School property is sometimes available initially, at a subsidised rate, for those who wish to rent, and some partly furnished flats are provided for those coming straight from university or overseas. Most staff prefer to buy their own houses in due course, and there is a wide range of property available in the town and surrounding villages.

One of Uppingham's great community strengths is dining in house. Each day teaching staff are invited to lunch in a boarding house; a genuine pleasure in the midst of a busy week.

### Life in Rutland

Rutland – England's smallest county – is a beautiful part of the country. Uppingham town has two maintained primary schools and an 11-16 community college. There is a sixth form college in Oakham. Oakham School (six miles), Stamford School and Stamford High School (eleven miles) are independent schools which, between them, offer day education to boys and girls from eight plus; local parents and/or the schools concerned provide car or coach transport. There is a good GP surgery in the town. There is a considerable community of young children within the area.

The town is situated between Leicester and Peterborough. Nottingham, Northampton and Birmingham are also relatively close. Cambridge can be reached in 50 minutes and Oxford in an hour and a half. London is an hour by train from Corby, Kettering or Peterborough. Peterborough and Leicester have excellent shopping centres. Leicester, Nottingham and Birmingham all enjoy first-class theatre and concert facilities.

## The next steps

### Closing date:

Friday 3 February, 9.00am

### Interviews:

Thursday 9 February

Applications will be considered as they are received and an appointment may be made before the closing date. Please apply as soon as possible.

Informal enquiries about the post may be made to the acting Head of Mathematics, Alex Parker, [adp@uppingham.co.uk](mailto:adp@uppingham.co.uk).

Applications must be made on the School's application form, which can be obtained via the School website or from [hr@uppingham.co.uk](mailto:hr@uppingham.co.uk).

Completed applications must reach us by the closing date and should be returned to [hr@uppingham.co.uk](mailto:hr@uppingham.co.uk) or by post to:

HR Department, Uppingham School  
High Street West, Uppingham, Rutland LE15 9QE

*Uppingham School is committed to safeguarding and promoting the welfare of children. Successful candidates must be willing to undergo full screening in accordance with Keeping Children Safe in Education (KCSiE), including an Enhanced Disclosure and Barring Service check. Issues relating to safeguarding and promoting the welfare of pupils will be explored at interview.*

*At Uppingham School, we value a truly inclusive, fair and equal work environment for all. Opportunities to work at Uppingham School are open to all, at all levels. We want to further increase the diversity of our workforce and actively encourage and welcome applications from candidates who have black, Asian, and minority ethnic backgrounds.*
