Art and Photography at Uppingham

Uppingham has an outstanding tradition in Art and Design. The Art, Textiles and DT departments are housed in the award-winning Leonardo Centre, former pupil Piers Gough's exciting glass fronted building, recently adapted as part of the School's Western Quad. The combination of open plan, well-lit spaces are a great inspiration to the pupils.

Specialist facilities are housed in large open plan studio spaces with further areas devoted to textiles, photography, a library and a suite of Apple Macs. A large Design Technology, wood, metal, plastics workshop is also available on the ground floor. Gallery spaces display the work of visiting artists and pupils.

The successful applicant will work closely with the Head of Art, supported by an instructing technician, as well as other colleagues.

Art is an option offered to Fourth Form (Year 9) pupils in a carousel of creative subjects. Fine Art is a popular GCSE subject and there is a strong uptake for Fine Art and Photography in the Sixth Form. The Edexcel A level is offered in both subjects.

About the role: Teacher of Art / Art & Photography

We seek to appoint a first-rate graduate to teach Art, or Art with Photography from September 2023.

This position would suit an ECT or a recently qualified teacher looking to broaden their experience. The person appointed will gain experience in a superbly resourced Art and Design faculty, building on the strong interest in Art and Photography. Ideally the successful candidate will be able to teach Fine Art across the age range, up to and including A level. The ability to teach Photography at A level, or interest in developing that ability, would be welcomed.

Full-time teachers at Uppingham play a full part in the life of this seven-day week boarding school, by taking on responsibilities in addition to teaching.

The co-curricular programme is exceptionally varied and includes a wide range of sports, CCF, community service and the Duke of Edinburgh Award. Each teacher is also attached as a tutor to one of the School's fifteen boarding houses.

Accommodation may be available.

About the person

The person appointed will be a strong, dynamic character with excellent subject knowledge, a good degree, good classroom management skills, a track record of excellent teaching and an appropriate rapport with pupils. The abilities to communicate well and work as part of a team are essential.

The successful candidate will have high personal and professional standards, with well-developed pastoral instincts. Candidates must demonstrate a commitment to high creative standards.

Teaching at Uppingham

Remuneration and Benefits

The School has its own salary scale for qualified teachers, which is reviewed annually. The scale starts at £33,000 and progression is possible to £60,000. The School offers an extensive range of benefits including a school fee discount scheme for children of staff, free gym membership, subsidised medical scheme, excellent pension scheme, and free Westfield Healthcare and Rewards package which includes discounts in retail outlets, restaurants, cinemas and with holiday providers.

All members of staff are expected to live within reasonable distance of the School so that they can contribute to boarding school life easily and effectively. Assistance with reasonable removal expenses is provided. School property is sometimes available initially, at a subsidised rate, for those who wish to rent, and some partly furnished flats are provided for those coming straight from university or overseas. Most staff prefer to buy their own houses in due course, and there is a wide range of property available in the town and surrounding villages.

One of Uppingham's great community strengths is dining in house. Each day teaching staff are invited to lunch in a boarding house; a genuine pleasure in the midst of a busy week.

Life in Rutland

Rutland – England's smallest county – is a beautiful part of the country. Uppingham town has two maintained primary schools and an 11-16 community college. There is a sixth form college in Oakham. Oakham School (six miles), Stamford School and Stamford High School (eleven miles) are independent schools which, between them, offer day education to boys and girls from eight plus; local parents and/or the schools concerned provide car or coach transport. There is a good GP surgery in the town. There is a considerable community of young children within the area.

The town is situated between Leicester and Peterborough. Nottingham, Northampton and Birmingham are also relatively close. Cambridge can be reached in 50 minutes and Oxford in an hour and a half. London is an hour by train from Corby, Kettering or Peterborough. Peterborough and Leicester have excellent shopping centres. Leicester, Nottingham and Birmingham all enjoy first-class theatre and concert facilities.
