Textiles at Uppingham

Uppingham has an outstanding tradition in Art and Design. The Textiles, Art and DT departments are housed in the award-winning Leonardo Centre, former pupil Piers Gough's exciting glass fronted building, recently adapted as part of the School's Western Quad. The combination of open plan, well-lit spaces are a great inspiration to the pupils.

Specialist facilities are housed in large open plan studio spaces with further areas devoted to textiles, photography, a library and a recently installed Apple Mac suite. A large Design Technology, wood, metal, plastics workshop is also available on the ground floor. Gallery spaces display the work of visiting artists and pupils.

The successful applicant will lead the department of two specialist teachers, with technician support

Textiles is an option offered to Fourth Form (Year 9) pupils in a carousel of creative subjects. It is an increasingly popular GCSE subject and there is also a strong uptake in the Sixth Form. At A level, the department offers the OCR Textile Design course (H604).

School property is sometimes available initially, at a subsidised rate, for those who wish to rent, and some partly furnished flats are provided for those coming straight from university or overseas. Most staff prefer to buy their own houses in due course, and there is a wide range of property available in the town and surrounding villages.

One of Uppingham's great community strengths is dining in house. Each day teaching staff are invited to lunch in a boarding house; a genuine pleasure in the midst of a busy week.
