# Teacher of Mathematics

Full or Part Time (September/January start)

UPPINGHAM

# From the Headmaster, Dr Richard Maloney

Uppingham School has the highest ambitions for the education of our pupils. We seek to inspire and challenge them to work at the highest academic levels. We are fortunate to have wonderful facilities and fantastic, highly committed teachers who nurture and support Uppinghamians at every stage of their time here.

I hope that you will be excited by the opportunity to join us in the Mathematics Department. We are looking for someone with the gifts and skills as a teacher to make a difference to our pupils.

I look forward to meeting you.

## Mathematics at Uppingham

We have 12 specialist Mathematics teachers who work in a purpose-built department where all classrooms are spacious and have the latest interactive whiteboards to support teaching.

The pupils in the Lower Fifth and Upper Fifth (years 10 and 11) work towards the Edexcel IGCSE Mathematics qualification. In the Sixth Form there are currently more than 150 pupils studying A level Mathematics, and 44 who are also studying Further Mathematics. We follow the Edexcel A level qualification.

The Mathematics Department offers a range of extra-curricular and enrichment activities. Some of these include peer mentoring, puzzle solving, Maths Olympiad training and preparation for the STEP/MAT and TMUA exams. The department has a strong culture of supporting pupils into Oxbridge courses and a good track record of successful applicants. The department also contributes to the STEMM Award programme, and has hosted a range of guest speakers. The department is well-funded and well-resourced, and new initiatives and experience are welcome.

## Teacher of Mathematics (Full or Part Time)

We seek to appoint a first-rate teacher of Mathematics from September 2025 or January 2026.

This role would suit a Mathematics teacher at any point in their career: you could expect to teach most, if not all, year groups from 4th Form (year 9) to Upper Sixth (year 13), following active schemes of learning that members of the department discuss regularly and update annually.

Our intention is that all teachers at Uppingham are comfortable teaching any part of the curriculum: when this is not the case, in-house mentoring and CPD sessions are provided to enable this in the future. Members of the department discuss, formally and informally, teaching techniques and pupil progress on an almost daily basis.

Teachers at Uppingham play a full part in the life of this seven-day week boarding school, taking on responsibilities in addition to classroom teaching. The co-curricular programme is exceptionally varied and includes a wide range of sports, CCF, community service and the Duke of Edinburgh Award. Each teacher is also attached as a tutor to one of the School's sixteen houses.

## About the person

The person appointed will be a strong, dynamic character with excellent subject knowledge, a degree in their chosen STEMM subject, good classroom management skills and an appropriate rapport with pupils.

The abilities to communicate well and work as part of a team are essential. The successful candidate will have high personal and professional standards, with well-developed pastoral instincts.

## Remuneration and Benefits

The School has its own salary scale for qualified teachers, which is reviewed annually. The scale starts at £35,627 and progression is possible to £64,859. The School offers an extensive range of benefits including a school fee discount scheme for children of staff, free gym membership, subsidised medical scheme, excellent pension scheme, and free Westfield Healthcare and Rewards package which includes discounts in retail outlets, restaurants, cinemas and with holiday providers.

All members of staff are expected to live within reasonable distance of the School so that they can contribute to boarding school life easily and effectively. Assistance with reasonable removal expenses is provided. School property is sometimes available initially, at a subsidised rate, for those who wish to rent, and some partly furnished flats are provided for those coming straight from university or overseas. Most staff prefer to buy their own houses in due course, and there is a wide range of property available in the town and surrounding villages.

One of Uppingham’s great community strengths is dining in house. Each day teaching staff are invited to lunch in a boarding house; a genuine pleasure in the midst of a busy week.

## Life in Rutland

Rutland – England’s smallest county – is located in a beautiful part of the country. Alongside the stunning countryside, with Rutland Water only six miles away, there are a mass of leisure pursuits on our doorstep.

The town offers a range of independent stores and its location allows access to a number of thriving cities and towns. Uppingham is equidistant between Peterborough and Leicester which have excellent shopping centres, and Leicester, Nottingham and Birmingham all enjoy first-class theatre and concert facilities. Cambridge can be reached in 50 minutes and Oxford in an hour and a half. London is an hour by train from Corby, Kettering or Peterborough.

Uppingham town has nurseries, two maintained primary schools and an 11-16 community college, with sixth form colleges in nearby towns, such as Oakham and Stamford. There is a considerable community of young children within the area.
